TAKE ADVANTAGE OF A NEW RANGE OF POSSIBILITIES

The new line of bars and event counters is designed mainly for the alcohol beverages industry, horeca and beverage producers. Mobile, reusable, foldable and easy to transport constructions can be successfully used at any event with your customers.

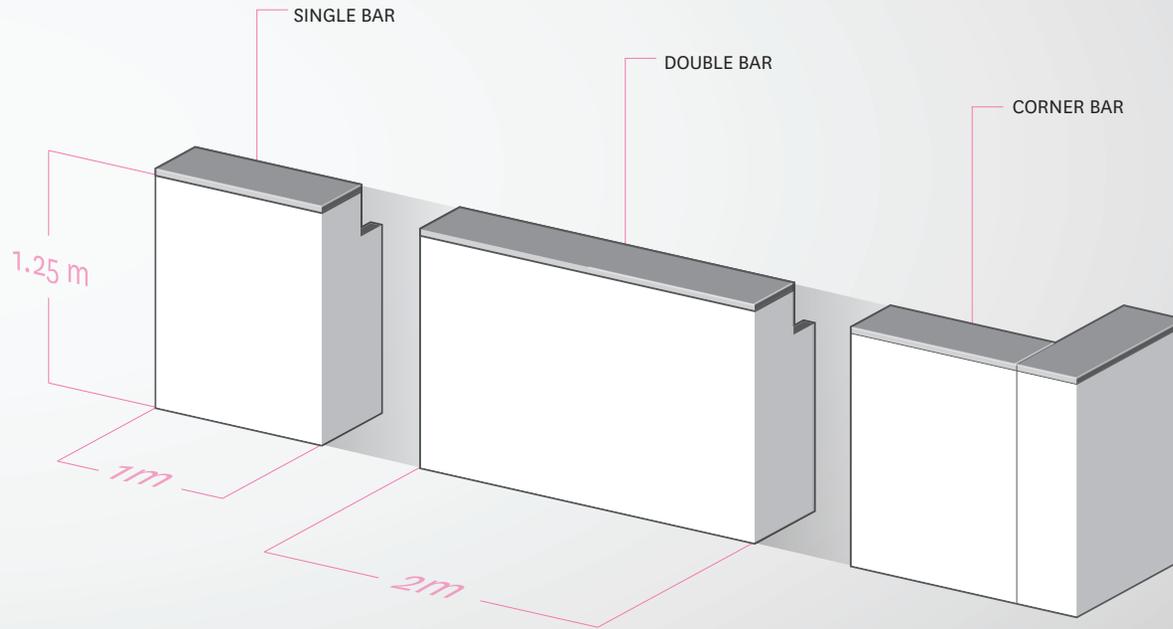

You can accessorize the bar and counters line with ice buckets, beverage dispensers, cash registers, etc.

Ask about solutions to simplify the organization of your events.

SIZES AND ACCESSORIES

Clever Frame® Bar Counters are available in two sizes. They can be combined into bars of any length as well as joined to form corner bars.
